

## APPLICATION FOR SUBJECT DROP –HSC COURSE

Students only need to carry 10 units for the HSC Course. This makes them eligible according to NESA and GHS to drop a subject in the HSC and undertakes study in its place.

Gunnedah High acknowledges that this change is possible, the school expectation is that your child attends study in a period where they used to have the subject they choose to drop. This will be periods of the subject dropped clearly shown on their timetable.

**NOTE:** This includes first or last period. Students are expected to attend every period.
